CASE STUDY
OAKLEIGH EAST

Kitchen Area

(3D Render for illustrative purposes only)

Client's Brief

“Space is very important to us, we need living spaces for the whole family. We also want to incorporate a walk through laundry, pantry and kitchen, with easy access directly from the garage. We are looking for a custom modern architectural design that is around 45sq and has a really stand out modern facade.”

Budget

\$700k
